

Deposit of Security Agreement

TO: ATB FINANCIAL, previously Alberta Treasury Branches (“ATB”)

For \$1.00 and other consideration I have received from ATB, the sufficiency of which I acknowledge, I agree that:

1. ATB may hold the security listed below (“Security”) as collateral security for all my existing and future debts and other liabilities to ATB (collectively, the “Obligations”):

SECURITY

2. It will not matter how the Obligations arise. The Security may be held by ATB in any case where ATB is or becomes my creditor. The Obligations will be secured by the Security whether they arose through my agreement or dealings with ATB or with third parties, whether they were incurred alone or with others, whether they were incurred as principal, surety or guarantor, whether they are absolute or contingent, and whether or not they are due.
3. The Security may be held in addition to and not in substitution for any other security now or in the future held by ATB in respect of the Obligations. The Security will not operate as a merger of any simple contract debt, nor will it in any way suspend payment of, or prejudice or affect the rights, remedies and powers of ATB in respect of the Obligations or any other securities held by ATB in respect of them.
4. This Agreement will remain in full force and effect until:
 - (a) ATB releases in writing all of the Security. I agree that ATB may release part of the Security at any time without affecting any of the Security which it has not released; or
 - (b) I serve written notice of termination on ATB, at the above address, at a time when there are no outstanding Obligations.
5. This Agreement will take effect and be binding on each party who signs it immediately upon being signed by such party, whether or not it is intended that more than one party sign. If signed by more than one party, all covenants in this Agreement will bind each party jointly and severally. This Agreement will be read and interpreted with such grammatical changes as may be needed to reflect the number and identity of the parties who sign it.

This Agreement may be executed by you electronically; this Agreement may be delivered by you to ATB by email, facsimile or other functionally-equivalent electronic means.
